

OLD AMERSHAM BUSINESS ASSOCIATION

&

THE AMERSHAM SOCIETY

To Residents/Businesses of Old Amersham

Dear Resident/Business

Friday 6 December 2019 - Old Amersham Christmas Evening

We are writing to inform you that the Old Amersham Business Association and The Amersham Society will be presenting 'A Magical Christmas Evening in Old Amersham', in support of the Scannappeal charity, on Friday 6th December.

To do so, we have been granted permission by Bucks County Council to close the roads throughout Old Amersham for the event.

The High Street (from The Worthies to the Market Hall), Market Square, the Broadway (from the Dovecote car park to Market Square), Whielden Street (from Whielden Green to Market Square) and Church Street (from Badminton Court to Market Square) will be closed to traffic. School Lane and Mill Lane will remain open and there will be diversions in place to circumnavigate the old town.

The road closures are primarily for safety and operational reasons and will come into effect at 4.00pm on Friday 6 December, until 10.00pm.

Access will be available for the emergency services throughout.

The parking bays on the Broadway and Market Square will be coned off from 2.00pm onwards.

Any vehicles left parked within the road closure area after 4.00pm will, under the Road Closure Order regulations, be towed away by the Police.

Parking will be available in the old town at Dovecote Car Park and at Tesco Amersham. The Tesco management have requested that vehicles parking in their car park for longer than the permitted 3 hour limit, should log their vehicle registration number at the Customer Services desk.

We appreciate that this will create some inconvenience for residents, but we should be grateful for your co-operation on this occasion to ensure public safety and the enhancement of this popular festive event.

Thanking you kindly in advance.

Old Amersham Business Association & The Amersham Society
