### Payment by Direct Debit (or cheque payable to 'The Amersham Society')

We now prefer to receive subscriptions through Direct Debit via a company called GoCardless. – see note below on how it works.

Are you willing to set up a direct debit for this subscription? **Yes** **No**

### How GoCardless works:

If you agree to pay in this way, we will pass your email address to GoCardless - only for the purpose of setting up the Direct Debit. They will then send you a secure email link in which you enter your sort code and account details. Those details are held securely by GoCardless. **We do not see this. The Direct Debit is not set up until you have provided those details.** Once GoCardless inform us you have provided your details, we then set the amount – currently £11.50 or £17 according to the box you have ticked - and you get another email to advise that it will be taken out. Subsequent subscriptions will be taken out on 1 January each year.
