It is of great benefit to the Society if you are willing to sign the declaration below, to allow us to reclaim the tax on your membership fee. Note: we need a **hand-written signature** and if both members are eligible for Gift Aid, it is helpful to the Society if **both members** sign the following declaration.

**Declaration** This declaration confirms my/our wish to pay a subscription under the Gift Aid Scheme and applies to all subscriptions made by me/us to the Amersham Society from 6th April 2013. I/we confirm that I am/we are (a) UK tax payer(s) and pay an amount of income tax or capital gains tax at least equal to the tax that will be reclaimed on my/our subscriptions at the standard rate of income tax. #### Payment by Direct Debit (or cheque payable to 'The Amersham Society')

We now prefer to receive subscriptions through Direct Debit via a company called GoCardless – see note below on how it works.

Are you willing to set up a direct debit for this subscription? **Yes** **No**

#### How GoCardless works:

If you agree to pay in this way, we will send your e-mail address to GoCardless - only for the purpose of setting up the Direct Debit. They will then send you a secure e-mail link in which you enter your bank's sort code and account details. Those details are held securely by GoCardless. **We do not see this. The Direct Debit is not set up until you have provided those details.** Once GoCardless inform us you have provided your details, we then set the amount – currently £11.50 or £17 according to the box you have ticked - and you get another e-mail to advise that it will be taken out. Subsequent subscriptions will be taken out on (or soon after) 1st January each year.
