RE: Street Cleansing – High Street (Mill Lane to Market Hall) on Monday 21st and Tuesday 22nd July

Dear Resident / Business Owner,

We are writing to inform you of upcoming street cleansing works taking place on the High Street between Mill Lane and Market Hall. These works are scheduled as follows:

- North side of High Street (Elephant and Castle side):
Monday, 21st July 2025 between 6:00am and 8:00am
- South side of High Street (Kings Arms side):
Tuesday, 22nd July 2025 between 6:00am and 8:00am

Amersham Town Council, Buckinghamshire Council, and Veolia are working in partnership to undertake these works. As you may be aware, the High Street gutters have not been cleaned since last year due to limited access, and we are taking this opportunity to address the issue.

To allow Veolia to carry out the work effectively, please ensure that no vehicles are parked on the relevant side of the street during the times stated above. While the works may finish before 8:00am, cleansing will commence promptly at 6:00am.

We understand that this may cause some inconvenience, and we thank you in advance for your cooperation and support.

While Amersham is being judged for a national *Britain in Bloom* award, with the official visit taking place on 6th August, these works are part of our wider effort, in collaboration with Buckinghamshire Council and Veolia, to enhance the environmental quality and appearance of our town.

Once again, thank you for your continued support,

Kind regards,

Amersham Town Council
