Dear Resident/Business Owner,

**Subject: Street Cleansing – High Street (Mill Lane to Market Hall) | Wednesday 11 February 2026**

We are writing to advise you of scheduled street cleansing works on the High Street, between Mill Lane and Market Hall, which will take place on **Wednesday 11 February 2026**, between **7:00am and 9:00am**.

Amersham Town Council is working in partnership with Buckinghamshire Council and Veolia to facilitate this work. As you may be aware, the High Street gutters have not been cleaned for some time due to access constraints, and this visit provides an opportunity to address the issue. These works form part of our ongoing efforts to improve the local environmental quality of Amersham.

To enable the cleansing to be carried out as effectively as possible, we kindly ask that vehicles are not parked along this section (Mill Lane to Market Hall) of the High Street during the works. While the work may be completed before 9:00am, works will begin promptly at 7:00am.

We would be most grateful if you could move your vehicles; otherwise, access will be restricted and Veolia may be unable to complete the cleansing fully. We appreciate that this work may cause some temporary inconvenience and thank you in advance for your cooperation.

Thank you for your understanding and continued support.

Kind regards,

Amersham Town Council
