

AMERSHAM CHARTER FAIR 19TH AND 20TH SEPTEMBER.

Dear Residents and Business Owners,

It's that time of the year again when the Amersham Charter Fair takes place on the above dates. During this time a road closure order comes into place that restricts parking on the highway in the High Street, Broadway and Church Street between the hours of 00.01 hrs. on the 19th September, and 06.00 hrs. on the 21st September. During these times any vehicles parked in the restricted area may be towed away under the Removal and Disposal Act 1986. A charge will be made to release the vehicle.

All residents, traders and others with off-street parking facilities, who will be affected by this road closure, may apply for a vehicle access permit. These can be obtained by using our dedicated Amersham Charter Fair mobile number 07518442149. Using text or voicemail, could you please leave your name, address, telephone number and vehicle registration. All access permits will be delivered by hand to your Amersham address just prior to the fair taking place.

Please ensure your application is made before the 13th September, to allow adequate time for the preparation and delivery of the permit.

It would be appreciated if traders could arrange for deliveries outside of the road closure hours.

Thanking you for your co-operation in advance on behalf of W. Tyrwhitt-Drake – Charter Holder.
